Seminar on
“How to improve Business / Project Performance
– Partnership, Risk Management and Value Management”
26 May 2012

Synopsis:

In this world of ever-changing and full of new technologies, the management model in all business should also change to meet the customers' increasing demands and expectations.

As a result of traditional hierarchy management approach, there are many examples in cost and time overruns, and even disputes resolved in the Court. What are the reasons behind?

Numerous research studies concluded that lack of team spirit, no sense of crisis and no encouragement of creativities are the key factors.

Nowadays, Partnering, Risk Management and Value Management are promoted and being implemented in all major infrastructure projects and some large-scale private developments in order to improve the team and the Project performance. The essences of NEC (New Engineering Contract), which will be fully implemented by the Government of HKSAR in the near future, are also based in these three areas.

The speaker will share his experiences and best practices in these areas with the participants and hopes that the sharing will enhance each other's business in a much smoother manner.

About the Speaker:

Mr. KH Fok fulfilled various roles in the Civil and Foundation engineering industry for nearly 30 years. His thorough grasp of the NEC3 and other forms of contract have helped in his successful management of more than 50 construction projects including the Tin Shui Wai Site Formation, the 155m deep large diameter bored pile in Tung Chung and the piling works for the Kai Tak Cruise Terminal.

KH is a highly experienced and popular facilitator with an astute understanding of the cross-cultural working environment in Hong Kong, has been facilitating more than 400 workshops in partnering, value management and risk management. KH was appointed by the Housing Authority for a series of partnering workshops and post completion review workshops from 2005 to 2010. He is currently appointed as the partnering lead facilitator for all MTR WIL and SIL(E) contracts and the Risk Manager for some large scale infrastructure projects.

「如何改善營商/項目管理-夥伴合作，風險管理，價值管理」研討會 二零一二年五月廿六日

摘要：

在現今科技嶄新、日新月異的世界，不論那個行業，管理模式亦須求變，方可滿足客戶不斷提高的要求。

以往層壓式管理，導致超支、超時，甚至鬧到法庭的例子比比皆是。原因何在？

根據不同研究報告的結論指出，欠缺團隊精神、沒有危機意識和局限創意，是主要的因素。

現在香港執行的基建項目及大型私營發展，都推廣「夥伴合作」、「風險管理」和「價值管理」，以改善團隊及工程項目的表現。而港府將全面推行的「新工程合約」，都是建基在這三方面。

講者於當日會同各位與會者分享在這方面的經驗和心得，希望可借是次交流，令彼此的工作更加順暢。

講者簡介：

霍錦謙先生 從事建造業達三十年，擔任不同的角色，成功完成五十多項土木及地基工程項目，包括九零年代「天水圍平整」工程、九六年於東涌建做深達一百五十五米大型鑽孔樁、及近期「啟德郵輪碼頭」的大型鑽孔樁，擁有豐富項目管理經驗。

霍先生 亦是資深工作坊促進員 Facilitator，掌握東西方文化的優點，近十年為不同工程團隊主持接近四百個「夥伴合作」、「風險管理」和「價值管理」的工作坊。於零五至一零年受房署委任為「夥伴合作」工作坊促進員，現為港鐵「港島西線」所有工程合約的「夥伴合作」顧問、多項政府工程和基建工程「價值管理」工作坊促進員和「風險管理」顧問。

Speaker:	Mr. KH Fok
Medium:	Cantonese with English Presentation Slides
Date:	26 May 2012 (Saturday)
Time:	2:00 pm – 4:00 pm
Venue:	Room FJ302, The Hong Kong Polytechnic University, Hung Hom, Kowloon
Fee:	Free of Charge
Maximum No. of Participants:	100 (on first-come-first served basis)
CPD Certificate:	CPD Certificate will be issued to attendees after the Seminar
Enquires:	香港持牌水喉匠協會有限公司 Hong Kong Licensed Plumbers Association Limited (HKLPA) - Mr. Lee Kwok Man (李國民) Tel: 2398 2043 Email: hklpa@hotmail.com
